

# Greetings from First United Church

We hope everyone is well.  
If there are any needs you have for groceries or a conversation, please contact the office to let us know. We have people who are eager to help.

Reminder! Friday is the last day for additions/changes to the Church Directory! Contact Sherry @ [sjohnstone1959@gmail.com](mailto:sjohnstone1959@gmail.com)

We continue to meet online Sundays at 10:30am for our Joint Worship Service with our own First family, as well as friends from Central, St. Andrew's & New Vision. We'd love it if you joined us - even if you've never done so before! This new season is a great time to connect with your faith community and our friends from other United Churches in St. Thomas (link to join is included in the weekly email).

Also, our sanctuary is open with 28 spots available. Please RSVP if you are planning on attending in person (email [office@1stunitedchurch.ca](mailto:office@1stunitedchurch.ca) or call 519-631-7570 x21 & leave a message)

If you would like to sign up for worship leadership participation that would be great. We are in great need of volunteers to read scripture or offer as worship host. Send an email to the church office if you would like to help.

Last week we fell in love with Eugene Peterson, author of *The Message*. So now we find out about what Eugene's life as a Pastor and as a person in a congregation meant to him. In this video he speaks about the gift of a congregation being the gift to be yourself. Join us in watching and join us in conversation with Eugene!

# Greetings from First United Church

## An Update & An Invitation From Your Finance Committee

Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:7

Dear First Church Friends,

We hope this finds you and yours healthy, safe and well!

With the onset of this pandemic we are indeed in the midst of a different time and reality. Yet, as always, we are not alone, God is with us! Remember that if you are in need of support, please reach out to the Church through a phone call or email and someone would be happy to speak to you.

First United Church continues to be a place where everyone can easily and openly experience God's great love. Our priority remains "being the Church" by providing pastoral care and maintaining relationships in our community of faith and beyond. Calls are being made, people are being cared for, Worship continues online each Sunday and we host 'Coffee & Conversation' online each Monday morning. We are trying to "keep in touch" & "make a difference" during this time of physical distancing.

As for the church's financial position, unfortunately, we are continuing to suffer losses. To date, our operating loss for this year has reached \$55,000. Had it not been for Wage Subsidies received from the federal government, our loss would total over \$70,000. This of course puts our Church in a difficult position. Your Official Board is working hard to find solutions to this problem but we need everyone to help to the extent they can.

First and foremost, **thank you to everyone who has been sending in their donations** online through Email Transfers & Paypal, those who have dropped their offerings off in the church mail slot, and those who are giving through PAR. **Your gifts are GREATLY appreciated** and DIRECTLY contribute to sustaining the ministry at First United Church during this most difficult time. We invite you to continue to make your donations to First so that we can stay 'afloat" and provide ongoing ministry to our Church community. It takes many people, lots of talents, creativity and vision to make God's love real. And we want to THANK YOU for helping us to make God's love real!

That being said, making God's love real also requires funding. Today we are asking each of you to please reflect on what First United Church means to you ...and also your ability, whatever it may be, to make a **commitment of financial support**. At a time when some may have to reduce their level of giving, others may be able to increase their giving. We aren't asking those who can share more to "make up" for those who must out of necessity reduce their giving, but to share more, cheerfully, because this is how the First Church Family cares for each other and those around them. Within the church, **ALL gifts are a sign of faith and an act of generosity to be celebrated**.

So again, we THANK YOU for giving what you can. Please keep the faith. Working together, our Church can survive in these difficult times and flourish into the future.
