# Workshop

### Next Steps of Exploring Shared Ministry

**This Saturday, October 2<sup>nd</sup>  
9:30am to noon**

#### What will Shared Ministry look like? What skills are involved in leading the ministries?

At the workshop we will be reviewing the proposed models and consider skill sets desired in new Ministry staff. It is an important next step toward calling a minister as we seek to meet our proposed timeline objectives.

If you haven't had the chance to find out yet what we have been working on, Saturday will be an opportunity to catch up on the proposed Models of Ministry and seek clarification. If you have been involved all along, Saturday will be an opportunity to continue to work on shared ministry as we name skill sets for the ministry staff we will call.

Bring your questions/concerns. You may join by Zoom:

We are experimenting with the format and the technology. The service will be tweaked as we learn and grow. This is in preparation for sharing Ministry staff with Central UC.
